SHUMSUZZOHA SUNAM

UI & UX DESIGNER

ABOUT ME

As a User Experience Designer my objective is to make people feel comfortable with the product by decreasing the cognitive load. As well as maintaining my job I also served clients from Spain, Sweden, USA, UK & many other countries in freelance projects. A team player with self-learning ability and always dedicated to resolving issues in a very efficient way. I am very friendly, polite and never backs down from taking the responsibilities.
